Our full catalog will be found there and on the ARBA site soon.

Welcome to the 2020 Mini Rex Nationals in Texas. This is our 5th Nationals to host in Texas and we are excited to have y'all back.

As many of you know, Texas was the birthplace of the Mini Rex breed, introduced by our beloved Monna Berryhill and approved at the 1988 ARBA Convention. The little castor in our logo is a tribute to Monna.

We have a big, beautiful climate-controlled venue at the Bell County Expo. Our host hotels are in the adjacent parking lot of the Expo. The Expo also has 60 RV hook-up sites.

Our banquet will be held in the Expo's new Champion's Club that overlooks the arena.

We will welcome you on Friday evening with a Texas style meal, so you can meet friends and rest for a bit after check-in.

We will be sharing our venue with our Texas Rex and Flemish Giant National Shows, so save some time to peek at the Mini Rex ancestors and, um, cousins?

Book your travel to leave a little later Sunday, as we will be holding a day-after Nationals Show. Rumor has it that a couple of members are planning some special award additions for Sunday.
