The Judges Nomination Committee shall consist of a chair and no less than three members. The Judges Nomination Committee will generate a list of ARBA National Convention judges, Open and

National Mini Rex Rabbit Club

Youth, to the NMRRC newsletter editor for publication. Ballots for ARBA Convention judges will be returned to the Election chairperson for counting and submission to the NMRRC Secretary/Treasurer. The Judges Nomination Committee may also use this list of judges to recommend potential judges for NMRRC National Show host clubs.

*Approved Convention Judge Selection Policy:*

This committee is chaired by the Secretary of the NMRRC. By March 1<sup>st</sup> of every even number year, the chairman of the Judge's Nominating Committee will send a letter to the committee members, NMRRC Board and NMRRC Affiliated specialty club secretaries asking them to nominate up to 10 judges they desire to have judge Mini Rex at an ARBA Convention. It is encouraged that each person nominating judges asks for opinions of members they represent, members of the affiliated clubs and members of a Director's district. This list of 10 judges must be returned to the Committee Chair by April 1<sup>st</sup>. The Committee Chairman then compiles a list of all the nominees and sends the list to his/her Committee. The Committee is asked to vote "Yes", "No", or "No Opinion" on each judge on the list, returning their votes to the Committee Chair by May 1<sup>st</sup>. Any judge who receives a majority of "Yes" votes is then placed on a master list. The NMRRC Secretary sends a ballot to the NMRRC BOD, asking the BOD to either approve or disapprove the list in its entirety. Simple majority is required for approval. If a judge is already hired for 3 assignments in a 5 year period, they will not be included on the list. If the list is rejected, the BOD must discuss issues, vote to remove any judges in question, then vote to approve a final list.

The final list of judges is then included in the newsletter published on July 1<sup>st</sup>. Members of the NMRRC are asked to vote for up to 10 judges they would like to see judge Mini Rex at an ARBA convention. Ballots are returned to the NMRRC Election Committee, postmarked by August 1<sup>st</sup>. Each member of a household (including youth) are allowed one vote, copies of the ballot are acceptable. No one on the Election Committee or the Judges Selection Committee may be included on the list of judges.

The NMRRC Secretary then begins the hiring process. The 12 judges receiving the highest number of votes as selected by the membership are hired for the first year they are available. If a judge denies an appointment, the judge with the next highest number of votes is contacted to judge until 12 judges have been secured. For future years, the NMRRC hires 8 judges for any given year, 6 for open and 2 for youth. For years that the NMRRC requires more judges due to number of entries or anticipated number of entries, the Judges Selection Committee recommends judges to the NMRRC President. Said judges must be approved by the BOD by simple majority vote.

If the Show is not sanctioned by the NMRRC, points are not collected. It is important to check the show's catalog for Mini Rex Sanction.

## Point Calculation

Many times the show report that the exhibitor receives from the show Secretary shows points using the multiplier. Often people believe the points listed on a show report are the accurate points. Most show programs use a multiplier method of calculation. The NMRRC does NOT use a multiplier. Points are awarded as follows:

1 <sup>st</sup> Place	5 Points
2 <sup>nd</sup> Place	4 Points
3 <sup>rd</sup> Place	3 Points
4 <sup>th</sup> Place	2 Points
5 <sup>th</sup> Place	1 Point

Bonus Points are given for the following if there are at least 5 rabbits show by 3 different exhibitors

Best of Variety	10 Points
Best Opposite Variety	5 Points
Best of Breed	20 Points
Best Opposite Breed	10 Points
Best In Show	20 Points

National Mini Rex Rabbit Club

Reserve In Show/4Class                      10 Points

All Points will be counted in the variety in which they are won. All variety points are added together for overall sweepstakes. Fur points are calculated using the same method as variety points. There are no additional points given for overall fur awards.

Quality points are awarded for the following:

Best of Breed	2 points
Best Opposite Breed	1 Points

## Show Entry

Be sure you are always entering your rabbits in the show the same way. Points are recorded under the name they are shown. For example, If Joe Smith and Jane Smith enter a show as a single exhibitor; they must both be members of the NMRRC for points to count. If a one show they enter as Joe & Jane Smith, the points are given to them. If at the next show the entry is John Smith alone, those points go only to John. Also, the exhibitor must be the owner of the animals entered. If a family is showing together the entry must be in their names. For example, John, Mary, Susie and Joey Smith not Smith Family or Smith Farm. The NMRRC only accepts individuals as members; therefore points are only awarded to individuals.

## Disputing Points

If you feel that you were not awarded points properly, it is the exhibitors responsibility to prove there was an error to the Points Keeper. It is unacceptable to simply send an email to the points keeper stating "Johnny is missing 52 points. My calculation shows that he should have 75". The exhibitor disputing points must send a list of all shows attended and points awarded at each show to the points keeper with a written explanation of the discrepancy. It is important for the exhibitor to first reference the missing show reports listed on the NMRRC website. Shows have 30 days to return show reports to the points keeper and you must then allow processing time. If after you have checked the missing show report and feel your points are still incorrect. Follow process listed above and send to the current points keeper listed in the NMRRC Newsletter.

Exhibitors that send disputes without proper documentation will receive an email back from the points keeper stating "NOT Sufficient Information to proceed".

## Partnerships

The NMRRC Partnership form must be completed and forwarded to the Secretary of the NMRRC by all members who will be forming partnerships and earning sweepstakes points.

## National Mini Rex Rabbit Club

Any individuals can show together as a partnership without completing a partnership form. The partnership form is ONLY necessary if you would like to earn sweepstakes points and awards as a partnership.

If the persons on the Partnership Form do not live in the same household, a \$10 one-time fee applies.

A new Partnership Form must be completed each time any names are added or removed from the partnership.

The rules for a partnership state that all animals shown must be housed in one location.

Each partner must sign the NMRRC Partnership form confirming all animals are housed in one location.
